

# CLASSIFIED ADS

**NOTE TO THOSE WITH EXISTING ADS: I try to keep the classified section current, but I suspect that some of these ads date from the Bush administration. If you have an obsolete ad in here, please let me know so I can take it out. No use getting calls/emails about something you sold years ago.**

Classified ads are free to members, \$5.00 for non-members. Please limit ads to 75 words when possible. New ads, or changes to existing ads, should be submitted to the Newsletter Editor by the 15th of the month before an issue is to go out. Include the area code when giving your phone number. Numbers in parenthesis ( ) at the end of each ad indicate how many issues the ad has been running.

## CARS FOR SALE

1973 Grand Am. I was hoping we could list it in your newsletter or if there is anywhere else you would suggest. I want to find someone that would love it as much as he did. My stepmom sent me a bunch of photos. More than you probably need. My Dad is the original owner and he was in the process of restoring it, so there are lots of parts as well. The car is in Hollywood, SC. We were looking at around \$4k for it. See the dropbox link below for a complete set of pictures.
