

From Pontiac Preservation Association

Good Morning. I just wanted to let you know Max Performance (formerly Performance Years) is in their second year of the Pontiac Hall of Fame. We launched the <http://pontiacpreservationassociation.org/> web site last year and it went over really well with the Pontiac community. If you have never heard about this H.O.F, please click on the link I provided and look thru the tabs, especially the Hall of Fame tab to the right.

We just sent out over 1000 e-mails for this year's voting. If you would like to participate, please fill out your name & e-mail address under the CONTACT link. Once we get it, we will e-mail you two links... one for the living and one for the deceased. Please take a few minutes and vote.

The more participating Pontiac owners, the better off each nominee will have to be inducted in the H.O.F.
